Symbol	Description	
 PETE	Clear tough plastic such as soft drink, juice and water bottles.	
 HDPE	Common white or coloured plastic such as milk containers and shampoo bottles.	
 V	Hard rigid clear plastic such as cordial bottles.	
 LDPE	Soft flexible plastic e.g. squeezable bottles such as sauce bottles.	
 PP	Hard but flexible plastic such as microwave ware, takeaway containers, some yoghurt/ice cream/jam containers, hinged lunch boxes.	
 PS	Rigid, brittle plastic such as small tubs and margarine/butter containers.	
 OTHER	All other plastics, including acrylic and nylon. Examples include some sports drink bottles, sunglasses, large water cooler bottles.	

The number in the triangle identifies the type of plastic a container is made from, not whether or not it is recyclable. Check the list on the previous page if you are not sure.

Kerbside service times and Landfill Operating Hours

Kerbside pick up

The kerbside service pick up day for residents in Invergowrie is Monday.

Please place your bin outside your home on the evening before the nominated collection day so not to miss an early morning collection time. (Missed bins will not be collected until the subsequent week's service for your area.)

Please be advised that wheelie bins can not be collected if the weight exceeds 150 kg. An automatic scale on the truck rejects the bin if the weight exceeds this limit.

Residents are asked to place their bins outside their home as close to the road as practical. This should be at least 1 metre apart and with at least 1 metre clearance from any other object (e.g. a fence).
