In the event of any inconsistency with the approved plans and a condition of this consent, the

	condition prevails.
	<b>Condition reason:</b> To ensure all parties are aware of the approved plans and supporting documentation that applies to the development.
5	<b>Non reflective building materials</b>
	External finishes of the farm building shall be constructed of non-reflective materials.
	<b>Condition reason:</b> To ensure visual amenity of the surrounding area.

## Building Work

### Before issue of a construction certificate

6	<b>Long Service Levy</b>								
	Before the issue of a Construction Certificate, the long service levy must be paid to the Long Service Corporation under the Building and Construction industry Long Service Payments Act 1986, section 34, and evidence of the payment is to be provided to the certifier or council (where a certifier is not required).								
	<b>Condition reason:</b> To ensure the long service levy is paid.								
7	<b>Section 68 Approvals</b>								
	Before issue of a construction certificate, an approval is required under Section 68 of the Local Government Act for:-								
	<ul style="list-style-type: none"> <li>• Water supply and stormwater drainage work</li> </ul>								
	<b>Condition reason:</b> To ensure the appropriate section 68 approvals are in place prior to issue of a construction certificate for the development.								
8	<b>Section 7.12 Contributions</b>								
	A contribution is to be paid to Council towards the provision or improvement of public facilities (as per Uralla Shire Council's section 7.12 Contributions Plan 2021).								
	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: center;">Proposed Development *</th> <th style="text-align: center;">Cost of Levy Percentage</th> <th style="text-align: center;">Total Contribution</th> <th style="text-align: center;">Note</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">\$750,000</td> <td style="text-align: center;">1%</td> <td style="text-align: center;">\$7,500</td> <td style="text-align: center;"><i>Contribution Rate remains current until first date of next quarter</i></td> </tr> </tbody> </table>	Proposed Development *	Cost of Levy Percentage	Total Contribution	Note	\$750,000	1%	\$7,500	<i>Contribution Rate remains current until first date of next quarter</i>
Proposed Development *	Cost of Levy Percentage	Total Contribution	Note						
\$750,000	1%	\$7,500	<i>Contribution Rate remains current until first date of next quarter</i>						
	*Proposed cost of carrying out the development less any credits which may apply.								
	Contributions are indexed annually at the end of each financial year.								
	<b>Condition reason:</b> To assist the Council to provide the appropriate public facilities which are required to maintain and enhance amenity and service delivery within the LGA.								
9	<b>Construction Certificate</b>								
	In accordance with the provisions of Section 6.6 and 6.7 of the <i>Environmental Planning and Assessment Act 1979</i> , construction works approved by this consent must not commence until:								
	<ul style="list-style-type: none"> <li>a) a Construction Certificate has been issued;</li> <li>b) the NSW Planning Portal has been advised of: <ul style="list-style-type: none"> <li>(i) the intention to commence work; and</li> <li>(ii) the specific Principal Certifying Authority (building inspector) that has been appointed to the project.</li> </ul> </li> </ul>								

Documentation required under this condition must show that the proposal complies with all relevant development consent conditions and is not inconsistent with the approved plans, the Building Code of Australia and the relevant Australian Standards.

**Condition reason:**

### Before building work commences

10	<b>Erosion and sediment controls in place</b>
	Before any site work commences, the principal certifier or council (where a principal certifier is not required), must be satisfied that erosion and sediment controls are in place. These controls must remain in place until any bare earth has been restabilised.
	<b>Condition reason:</b> To ensure sediment laden runoff and site debris do not impact local stormwater systems and waterways.

### During building work

11	<b>Discovery of relics and Aboriginal objects</b>
	While site work is being carried out, if a person reasonably suspects a relic or Aboriginal object is discovered: <ul style="list-style-type: none"> <li>a. the work in the area of the discovery must cease immediately;</li> <li>b. the following must be notified <ul style="list-style-type: none"> <li>i. for a relic – the Heritage Council; or</li> <li>ii. for an Aboriginal object – the person who is the authority for the protection of Aboriginal objects and Aboriginal places in New South Wales under the <i>National Parks and Wildlife Act 1974</i>, section 85.</li> </ul> </li> </ul> <p>Site work may recommence at a time confirmed in writing by:</p> <ul style="list-style-type: none"> <li>a. for a relic – the Heritage Council; or</li> <li>b. for an Aboriginal object – the person who is the authority for the protection of Aboriginal objects and Aboriginal places in New South Wales under the <i>National Parks and Wildlife Act 1974</i>, section 85.</li> </ul>
	<b>Condition reason:</b> To ensure the protection of objects of potential significance during works.
12	<b>Procedure for critical stage inspections</b>
	While building work is being carried out, the work must not continue after each critical stage inspection unless the principal certifier is satisfied the work may proceed in accordance with this consent and the relevant construction certificate. <p><b>Condition reason:</b> To require approval to proceed with building work following each critical stage inspection.</p>
13	<b>Hours of Work</b>
	The principal certifier must ensure that building work, demolition or vegetation removal is only carried out between: <ul style="list-style-type: none"> <li>• 7am to 6pm on Monday to Friday and 8am to 1pm on Saturday</li> </ul> <p>(No work on Sundays and public holidays)</p> <p>The principal certifier must ensure building work, demolition or vegetation removal is not carried out on Sundays and public holidays, except where there is an emergency.</p> <p>Unless otherwise approved within a construction site management plan, construction vehicles, machinery, goods or materials must not be delivered to the site outside the approved hours of site works.</p>

	<b>Note:</b> Any variation to the hours of work requires Council's approval.
	<b>Condition reason:</b> To protect the amenity of the surrounding area
14	<p><b>Stormwater Disposal</b></p> <p>Stormwater from paved and impervious surfaces is to be disposed in a manner that does not cause a nuisance for neighbouring properties, by one of the following methods:</p> <ul style="list-style-type: none"> <li>• By piping to a rainwater tank(s) and then via the overflow to a rubble pit that is located at least 3.0 metres clear of any building</li> </ul> <p>Stormwater infrastructure is to be installed during building work as soon as the roof is constructed.</p> <p><b>Condition reason:</b> To alleviate any potential stormwater problems with respect to the buildings on the allotment or adjoining allotments.</p>

### **General advisory notes**

This consent contains the conditions imposed by the consent authority which are to be complied with when carrying out the approved development. However, this consent is not an exhaustive list of all obligations which may relate to the carrying out of the development under the EP&A Act, EP&A Regulation and other legislation. Some of these additional obligations are set out in the [Conditions of development consent: advisory notes](#). The consent should be read together with the *Conditions of development consent: advisory notes* to ensure the development is carried out lawfully.

The approved development must be carried out in accordance with the conditions of this consent. It is an offence under the EP&A Act to carry out development that is not in accordance with this consent. Building work or subdivision work must not be carried out until a construction certificate or subdivision works certificate, respectively, has been issued and a principal certifier has been appointed.

A document referred to in this consent is taken to be a reference to the version of that document which applies at the date the consent is issued, unless otherwise stated in the conditions of this consent.
